

LEXTA

LEXTA CONSULTANTS GROUP has a history of successful consulting projects in strategic IT management with a focus on IT benchmarking. Over the years, LEXTA has been shaped and guided by over ten years of steady growth, a healthy client structure and an outstanding corporate culture. At the moment, we employ over 50 people in offices in Berlin, Düsseldorf, London and Zurich for leading global clients in every sector. Built from both specialists and all-rounders, our team features people with a wealth of experience in IT and board-level management consulting. Our team is characterised by a friendly and positive atmosphere, trust in one another, support for individual initiatives and respect for our different backgrounds and personalities.

Start with us on 1 October 2020 or 2021 in Berlin a

Dual Course of Study (f/m/d)

Business Informatics – Bachelor of Science (B.Sc.)

in IT Management Consulting

You will learn:

- ¶ the theoretical principles at a renowned university,
- ¶ the practical application of these principles in a variety of projects with different clients in Germany, Austria and Switzerland,
- ¶ fascinating and new topics of digitisation and of course
- ¶ from our senior partners and consultants with many years of experience.

Your benefits:

- ¶ competent and personal mentoring in the specialist areas by qualified trainers,
- ¶ an excellent education in Berlin Mitte in combination with a practice-oriented study at the Berlin School of Economics and Law,
