

LEXTA CONSULTANTS GROUP has a history of successful consulting projects in strategic IT management with a focus on IT benchmarking. Over the years, LEXTA has been shaped and guided by over ten years of steady growth, a healthy client structure and an outstanding corporate culture. At the moment, we employ over 50 people in offices in Berlin, Düsseldorf, London and Zurich for leading global clients in every sector. Built from both specialists and all-rounders, our team features people with a wealth of experience in IT and board-level management consulting. Our team is characterised by a friendly and positive atmosphere, trust in one another, support for individual initiatives and respect for our different backgrounds and personalities.

We're now looking to expand our Berlin and Dusseldorf-based teams and this will be at least a three-month position

INTERNSHIPS (m/f/d)

in IT Management Consulting

Every day...

- ¶ ... you'll learn something new in a variety of hands-on projects while working in international teams both on-site or in the back office.
- ¶ ... you'll have the chance to tap into the extensive experience of our senior partners and consultants.

We encourage and expect:

- ¶ Independent, self-managed work in teams
- ¶ An analytical and entrepreneurial approach to strategy and decision-making

You'll join a dynamic team and receive competitive compensation that includes performance-related components. Last but not least, you make some important contacts that will enhance and improve your future career prospects – with a full-time job offer or freelance contract, for example.

What you offer:

- ¶ You've started your degree course – preferably in business informatics, business engineering or computer science – and are at least in your second semester of study.
- ¶ Ideally, you'll have gained practical experience as an intern, work placement student or a similar position with particular relevance for IT or IT consulting.
- ¶ You have both theoretical knowledge and practical experience in hardware configuration (storage, servers, networks, backup and restore) and network administration.
- ¶ You have a high degree of personal initiative and independence, and are a motivated and committed worker.
- ¶ You focus on the customer, are a good communicator and an excellent team player.
- ¶ You are mobile and willing to travel.
- ¶ You have sound Office skills (MS Excel and PowerPoint).
- ¶ You are fluent in both German and English.

If you like the sound of our offer – and are inquisitive, exceptional and also one of the best at what you do – please send your full CV with all accompanying documents by email to [Denny Rösicke at recruiting@lexta.com](mailto:Denny.Roesicke@lexta.com).
